

# IS THIS THE APOCALYPSE?

## A. POLITICAL ASPECTS OF THE NEW WORLD ORDER

A single unified system of control over every country through treaties and lockstep, and over every citizen through marking, surveillance and currency.

### **ONE WORLD GOVERNMENT**

LOCKSTEP : This evil has not been confined to one country, but has occurred universally, in all countries. All countries have acted in synchrony - in lockstep.

PANDEMIC TREATY : Furthermore, all countries intend to surrender their sovereignty to a trans-national organisation during any future potential pandemic.

UNIVERSAL CURRENCY : It is also possible that all countries may adopt a single gold-backed digital currency.

### **SURVEILLANCE**

Online Harms Bills and censorship seek to monitor free speech, seek to suppress it, and seek to punish it, so only one truth is presented, and dissidents are treated severely.

### **MARKING**

Citizens of every country have had to carry proofs of their compliance - in the form of vaccine certificates, digital IDs, without which they cannot access essential resources such as jobs, education, medical care, travel etc

### **CONTROL OF BUYING AND SELLING**

Nations have demonstrated an intent to adopt a digital currency that will give them control over every financial transaction.

## **B. RELIGIOUS ASPECTS OF THE NEW WORLD ORDER**

A single source of truth demanding unconditional obedience and personal surrender

### **ONE TRUTH**

“Trans-national government” seeks to impose severe censorship that only allows one truth. Truth takes the form of dogma or absolute certainty, and disagreement is punishable with prison. Unquestioning obedience is expected and enforced. Ideas take on the mantle of commandments that override scientific investigation, or ethical consideration, or safety.

### **SACRIFICE**

Countries have submitted to a form of “transnational government” - willingly sacrificing their own economies and their own populations. This is similar to an act of worship where compliance of governments is absolute and unconditional.

### **PERSONALITY TAKE-OVER**

There has been a polarisation of people into more distinct groups of good or evil, based on their willingness to kill or injure their neighbour for personal gain. The Wheat and the tares.

The obedience of government leaders and many of their collaborators appears to be sudden and unconditional – since they are sacrificing all previous codes of conduct and all previous obligations. The need to obey is overriding everything else, and therefore appears to be unconditional. This polarisation appeared to be sudden and discontinuous with previous behaviour - almost like a complete personality take-over, where previous codes of conduct were simply laid aside.

## C. MORAL ASPECTS OF THE NEW WORLD ORDER

The dictates of the new world order are not impartial to good and bad, but rather side decisively with evil. Pandemic policies have shown a complete disregard for constitutional rights, health and safety, informed consent.

See <https://howbad.info/law.html>

So extreme was this evil intent that New York passed regulations allowing the incarceration of anyone suspected (but not proved) of infection indefinitely without recourse to the law. This appalling intervention was blocked by lawyers, but the governor of New York is appealing !!

### LAWLESSNESS

Since 2020 we have been subjected to

- **LAWLESSNESS** – disregard of constitutional rights, health and safety regulation, liability, safety
- **HARMFUL INTENT** – proceeding with interventions known to cause significant harm
- **DECEPTION** – inflating dangers, hiding good cures, hiding harms caused by bad interventions, censoring alternate views.

See <https://howbad.info/lawless.pdf>

### (GENERAL ATTACK ON WHAT IS GOOD INCLUDES

- **SOCIAL** : Social movements such as Woke , Social Justice Warriors, and BLM have been used to divide society - and promote injustice and anarchy.
- **PERSONAL**: Pornography, child sex, transgender and bestiality have been used to promote impurity and defilement. So both pillars of the Torah - Law and Purity - are being attacked.
- **ATHEISM** : There is also a movement towards atheism and evolution and the denial of the Creator - resulting in a nihilistic ideology of ultimate purposelessness and egoism.
- **MORAL RELATIVITY** : There is also a denial of any absolute ethic - and instead, the promotion of moral relativity.
- **MATERIALISM** : Finally there is a pervasive view that people are simply programmable animals - without a soul and without freewill.)

## **D. BIOLOGICAL ASPECTS OF THE NEW WORLD ORDER**

### **PERCULIAR MAGNITUDE OF INJURIES**

Several phenomena are anomalous **in their magnitude** -

- Sudden deaths
- Massive Increase in all-cause mortality
- Massive increase in disabilities
- Outbreaks of plagues due to suppression of immunity
- Turbo cancer
- Heart damage in the young
- Massive increase in bleeding disorders

These magnitudes are 13 standard deviation events – expected only once in 100,000 years

See : [How Bad is my Batch ?](#)

### **PERCULIAR NATURE OF INJURIES**

Several phenomenon are anomalous **in their quality**

- Self-assembling fibrin clots that look like worms
- Sores and lesions appearing on the skin

See : [How Bad is my Batch ?](#)

### **PECULIAR NATURE OF MEDICAL INTERVENTIONS**

Recent interventions don't just propose to cure, but rather aim to change the biological identity of the recipient by modifying their DNA.

## THE ANSWER

- ONE GOVERNMENT : A one-world government
- LAWLESS : promoting lawlessness and evil
- DEMANDING OBEDIENCE : demanding and imposing unconditional surrender and obedience
- MARKING : through ID, monitoring and surveillance
- CONTROL : for control of all speech, movement and transactions
- PLAGUES/FAMINE : imposing plagues and food shortages
- DEATH : resulting in a huge death rate
- PERCULIAR INJURIES : ugly boils, a worm that doesn't die

Sounds very much like the Biblical description of the reign of the Beast – which lasts a MERE 3.5 years.

So, YES – this feels like the apocalypse.

- **Never before** have all the countries of the globe come together to commit such global crime and show such willingness to destroy their own economies and the health of their own citizens.
- **Never before** have they been able to apply techniques for digital marking, surveillance and control.
- **Never before** has the excess mortality, and disability been so high.

## THE CURE

If this is the Apocalypse, then we are fighting spiritual evil – not just greedy or ambitious or irrational politicians.

In which case, it will help to prepare ourselves spiritually through –

1. putting God first, and obeying God's commands – justice, purity, compassion
2. using spiritual weapons – prayer, meditation, fasting, truth

By praying for the people and for the leaders, it may well help lift the oppression, deception and darkness - binding the evil, dispelling the darkness and freeing up people's minds so they can begin to see and think freely again.

## A TEST ?

Here is what I have been told –

“The trials to come, and those already passed, are tests – “quality control tests”. What we have seen so far is part 1. There are several parts still to come. Very few will make it. This was required before “New Earth” can begin with only the clean and pure souls. Nothing will effect the pure of heart. These are the golden ones. Part 1 tested for logic and discernment. Other tests will test for selfishness and greed. Finally only those with empathy and love will survive. The warrior who is willing to give up his or her life. Only the selfish, greedy and controlling will feel the pain. The pure of heart feel the pain of others. Their tears are for the poor, sick and dying, not for themselves. Those who are running towards the trouble to help, as opposed to those running away to save their own skin. That is the test 99.9% will fail.

If you were the creator, this is exactly what you would do. Quality Control.

Look around you. See the perfection and complexity in nature. Underlying principle is quality control. Flawed iterations are discarded. The purpose of our creation and existence is to be guardians of this world. Without empathy and love, that task can never be accomplished. Those that are not programmed with this prime directive must go.

Psalm 23:4-6 takes on real meaning here.

*4 “Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. 5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. 6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.”*

Yes, only the guardian spirits will pass all the tests.”

These probably are the Last Days. So the greatest reward lies ahead, and also the greatest trials.

The definition of a test is a trial where there is always a way of escape as long as a desired goal is achieved or certain pre-determined conditions are met.

*“Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.”*

A test must always allow for the possibility of a response – otherwise it is not a test. It must involve a choice. It will often tell you what may happen before it happens, so you can make a decision on how to respond. And it will provide sufficient information so that you do not fall prey to a wrong choice by accident.
